Hi Edmund,

I will be visiting several non-tribal oil and gas landfills (regulated by ND Dept of Health) Tuesday and Wednesday of next week with the NDDH (Steve Tillotson). Steve asked me to check in with you to see if you are available for us to stop by New Town and visit while we are in the area. Steve also asked me to invite you and your staff to join us when we visit the non-tribal oil and gas landfills.

Please let me know if you are available to meet next Tuesday or Wednesday, or if you would like to join us when we visit the landfills.

Thanks
Brenda
